Subcamps Announced!

With 100 days to go, we have announced our subcamps!

We have three participant subcamps at Punch. They are EARTH, FIRE and WATER. The staff subcamp is AIR.

Your group/unit's allocated subcamp is:

FIRE

Each subcamp has a subcamp leader and small team responsible for welcoming you to Punch, and looking after you and your neighbours on your subcamp.

Your subcamp leader is **Sam Slater-Smith**. More from him below.

Participant Bookings - Important!

Many thanks to the 42 groups who have already added your participants to your booking. There are still a handful of groups who are yet to do this. If you are one of them, please do this **as soon as possible**.

If you don't have a complete list of participants yet, add the ones you have so far. We will then send out an invoice for your camp fees. If you then need to add any participants over the coming weeks you can do so, and we will issue an additional invoice for their fees.

If you need help adding participants, please contact us: info@suffolkpunch.co.uk.

Payments

A big thank you to the groups who have paid their fees.

If your group has not yet done so, please arrange for this to be done as soon as you can.

If you have any problems with payment, please contact us: info@suffolkpunch.co.uk.

The Suffolk Punch Shop is Open!

We have a range of Suffolk Punch 2022 merchandise available to purchase through our online shop.

Some items are customisable, so you can have your name or nickname printed on the back.

The items are being professionally produced by Scouters in Suffolk, and sales will help fund the event programme.

You can pre-order items online at punch.website/shop.

Items will be ready to collect on the first day of the event. This helps us cut down on postage and packaging.

Inclusion at Suffolk Punch

As part of our commitment to inclusion, we have produced a Personal Profile document which can be used by leaders and parents to capture additional information about their attendees. This should be used where individuals have additional needs. Completed forms can be sent to the event admin team which will enable us to tailor the participant's experience in line with their needs, as far as we reasonably can.

You can download the form below.

A Welcome Message From Your Subcamp Leader

My name is Sam Slater-Smith and I am your subcamp leader! I'm so looking forwards to meeting/communicating with all of you on camp and prior to the event. Like all camps of this size communication is the key so please don't be afraid to get in touch with questions or concerns I will try my best to reply as quickly and effectively as possible. Please feel free to contact me with any queries prior to the event:

sam.smith@suffolkscouts.org.uk

With only 100 days to go as well I would like to encourage groups to think about you can make your group area stand out from the rest. This does make it more fun for all those involved and also adds a landmark for you to proud of but also for the participants to recognize across a busy campsite!

We will need some basic info from your group/unit soon, but for now we want you to think about the following:

- Do you want to camp next to another group?
- Space will be limited, so please think carefully about the number of tents, and mess tents...
- Are there any special medical needs or any special disabilities needs which we need to be aware of?

Sam
